# Titusville Talk

Weekly Campus Update to Pitt Titusville Students from the Division of Student Affairs

## Pitt's Institutional Marks and Color Survey

The Office of University Communications in Pittsburgh wants your opinion about Pitt's institutional marks and colors. To share your thoughts, please complete this survey. In addition to getting our opinions, the communications folks are researching best practices and plan to share clear standards on university marks and colors as well as a brand strategy that will guide our communications moving forward this summer.

## Fall Term Registration

## Resident Student Mail

If mail arrives for resident students after the end of the semester, all first class mail will be forwarded to the student's home address for two weeks after the close of the semester. After two weeks, mail will be returned to the Post Office marked Return to Sender.

Students who receive a UPS or FedEx package will be contacted by telephone to provide instructions for forwarding the package. This will require the student to pay for the freight charge.

Any student that needs to update their home address for forwarding mail, or their contact phone number should contact the Mail/Book Center before departing campus.

## Textbook BuyBack

Textbook BuyBack will be held in the Book Center through Thursday, April 25 from 9:30 am to 3:30 pm. Bring all your old books to the Book Center and you could get CASH BACK!

Whether the books are from last semester, or even from another school, don't hesitate to bring them in! Cash will be paid for most used textbooks still in a current edition. Highlighting and margin notes are ok, as long as the text is still legible.

## Rented Textbooks

Students who rented textbooks from the Book Center must return the textbooks to the Book Center by Friday, April 26th. Please remember to return your rented books before you leave at the end of the semester. Be aware that you will be charged the purchase price of any rented textbook that is not returned.
