Welcome to the University of Pittsburgh at Titusville.

The Pitt-Titusville Nursing Program will provide you with all of the tools you need to begin your exciting career in nursing.

Pitt-Titusville will prepare you at the undergraduate level to sit for the State Board of Nursing examination to become a registered nurse. This program maintains the University of Pittsburgh's emphasis on excellence in undergraduate education by providing a strong foundation in the sciences and clinical knowledge.

Why become a nurse at the University of Pittsburgh at Titusville?

- Our four semester, two-year associate of science program is interactive and hands-on, and you'll get personalized attention from our knowledgeable faculty.
- Our nursing program specializes in providing progressive clinical experiences in a variety of hospital, clinical, nursing home and community health settings.
- Employment of registered nurses is projected to grow 15% from 2016 to 2026, much faster than the average for all occupations.
- The annual median wage for registered nurses in Pennsylvania was \$71,410 in May 2019, according to the State Occupational Employment and Wage Estimates Pennsylvania.

“ The education and leadership skills that I received at Pitt-Titusville have been invaluable in my new nursing career. I want to thank Pitt-Titusville for giving me the tools to pass the NCLEX on the first try and succeed in my new position. ”
Jeff Glass, Registered Nurse, Corry Manor

“ By the time I took my boards I felt ready, I passed with my first try, and I felt very confident in my abilities thanks to Pitt-Titusville. ”
Cassie Kreibel, RN, UPMC Northwest
